

MINI CLUBS SENSITISE SHOPPERS AT THE GOREGAON DIWALI SHOPPING FESTIVAL!

Club Enerji's mini clubs from St. Mary's High School, Malad, Udayachal High School, Vikroli, Cambridge High School, Kandivali (E) and Rizvi Springfield High School, Bandra (W) sensitised more than 9000 shoppers at the Goregaon Diwali Shopping Festival. The Festival, conducted over five days, served as an ideal platform to educate people about energy conservation and to share some tips for an eco-friendly Diwali. The mini clubs sensitised citizens by distributing pamphlets and booklets to them. People pledged to save energy by signing on the pledge cards.

Mr. Sudip Mehta and Maryites Unplugged deserve a special mention as they were there for all the five days of the festival.

Keep up the good work mini Clubs!
