

MINI CLUBS OF GURUNANAK HIGH SCHOOL, SION ORGANISE A RALLY TO SENSITISE CITIZENS

Mini Club Enerjis of Gurunanak High School, Sion organized a rally on energy conservation in Sion on 13th January 2012.

Five mini clubs – *The Giant Heroes, Electro Guys, Growing Buds, Transformers and Almighty* – came together to organise this hour long rally for students of the school. More than 400 students participated in this rally and sensitised commuters, shopkeepers and passers-by. *Growing Buds* Club performed a skit on the subject to drive the point home while *Almighty Club* organized an exhibition of all the posters prepared in the 'Spark of Life' competition prepared the previous day.

This is the second activity organized by these enterprising and industrious mini clubs in a span of two days.

Keep up the great work mini Clubs!
